

But what does the enemy see?
Anger
Hate
Danger
Panic
Confusion
Uncertainty
Fear

For your enemy you are the enemy.
You look in his eyes,
He looks in your eyes,
And you both see an enemy.

Who is the enemy?
An enemy wants to hurt you.
Can the enemy also be inside you?

An Enemy?

Who is the enemy?
An enemy wants to hurt you.
Can the enemy also be inside you?

For your enemy you are the enemy.
You look in his eyes,
He looks in your eyes
And you both see an enemy.

But what does the enemy see?
Anger
Hate
Danger
Panic
Confusion
Uncertainty
