

*Everywhere you go you see people
Everywhere you go you see children
Everywhere you go you see women
Everywhere you go you see men*

*Some people live together in peace,
Some do not*

*Some countries start wars,
But why? For living in harmony later?
Some countries have achieved peace and
Try to accept each other*

*Wars often last for years and then
Become the "forgotten past"
Nobody can change the past
The past stands forever. Remember!*

*We are humans, what should we do?
Is our task in life to start wars and
Make life much more difficult than it is?*
